OFFICE OF THE
DIRECTOR OF PUBLIC HEALTH
IN MYSORE

*Bangalore dated* 28th Septr *1943*

To

The Secretary to Government,

Law Department, Bangalore

SECY LAW DEPT * GOVT OF MYSORE *

Sir,

I have the honour to enclose herewith a copy of the letter received from the President, Municipal Commission, Civil & Military Station, Bangalore in connection with the subject of connecting underground sewage from Mc Iver town to the city underground system as it is their nearest place of outfall The letter also mentions that the Civil and Military Station Municipal Commission have permitted underground connection from the city limits of Devarajeebanahalli to the Civil and Military Station underground system The Assistant Engineer met me at the office and discussed the subject with me The Assistant Engineer said that they were going to lay their pipes to lead the sewage into our system just as the Devarajeebanahalli sewage has been carried through their system of sewers The Special Officer discussed with the Assistant Engineer and a spot inspection was arranged by both the officers I enclose herewith a copy of the letter received from the Special Officer, Bangalore City Drainage Division mentioning that there is no objection to the Civil and Military Station running a line up to our existing septic tank behind the sampige tank

Under the circumstances, I request that early orders of Government may be passed permitting the connection of Mc Iver Town to our sewage behind sampige tank

I have the honour to be,
Sir,
Your most obedient servant,

Director of Public Health

Letter No D C 137/43 dated 10-7-43 from the President, Municipal Commission, Civil Station, Bangalore, to the Director of Public Health in Mysore, Bangalore

Ref - Disposal of waste water from McIver Town

I have the honour to request you to kindly permit the waste water and the drainage water from the proposed underground sewage to be connected to your underground main running right across the Company Land

I may add here that we have permitted connection to Devarajeenna halli from the City Sewer with our underground sewage system

Letter No 55 dated 12-8-43 from the Special Officer, City Drainage Division, Bangalore city to the Director of Public Health

Subject -

Subject - Disposal of Sewage from Civil Town

I have the honour to state that the spot was inspected on the morning of 6th instant in company with Mr Palappa, the Assistant Engineer, Civil and Military Station Municipality there is no objection to the Civil and Military Station running a line up to our existing Septic tank behind the Sampige tank which will later on be drained into the Main Ovoid sewer by our 9 line, which has been sanctioned and has yet to be worked out later on
